

American Lincoln Sweeper Parts

The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are known within the business as durable and strong machines that satisfies all the needs of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company that is now also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply warranty service, machines and components for these kinds of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where efficiency and results count. Lately, this floor scrubber model has been used by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
