

American Lincoln Scrubber Parts

Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the business they are recognized in the industry as providing durable and strong machinery that meets the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company which is now likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the brand name "Encore". American Lincoln could supply warranty service, equipment and components for these types of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results matter. Recently, this floor scrubber model has been used by the architects in different construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
